

## Champions for Children Coordinating Committee

Capital Area Intermediate Unit Champions for Children is coordinated by a committee comprised of CAIU employees, including representation from professional, paraprofessional, and support staff. Service on the Champions for Children Coordinating Committee is voluntary. Persons not associated with the CAIU, but interested in achieving the Champions for Children mission, are also welcome to serve on the Coordinating Committee.

A membership goal of the Champions for Children Coordinating Committee is to insure representation from each of the Special Services program areas. Some of these include Emotional Support, Deaf/Hard of Hearing Support, Blind/Visually Impaired Support, Multiple Disabilities Support, Early Intervention, Speech and Language, Vocational Education, and Pupil Services – OT/PT and Psychological Services.
