

DRIVER EDUCATION BEHIND-THE-WHEEL TRAINING

The Capital Area Intermediate Unit provides after school and weekend Behind-the-Wheel training for high school students.

COST: \$290.00

TIMES: To be arranged between instructor and student

LOCATION: To be arranged between instructor and student

Following is a Registration Form for behind-the-wheel driving instruction to be completed and sent to the Capital Area Intermediate Unit. Payment by check must accompany registration. The cost of the program covers six (6) hours of behind-the-wheel and, if two students are scheduled together, six (6) hours of in-car observation. All students must be 16 years of age or older and have obtained a license or learner's permit before they register for behind-the-wheel training. Driver Education Classroom Training should be in progress or completed prior to Behind-The-Wheel Training.

Students will be scheduled for their behind-the-wheel training by the Intermediate Unit instructor. Students will be contacted to confirm appointment times. *Typically, Instructors will make initial contact approximately 12 - 14 weeks after receipt of Registration Form and payment. Winter weather and increased workload may delay initial contact beyond this timeframe.* Students may be scheduled in pairs. Anticipated training times are weekday evenings and Saturdays. If a student needs to cancel a scheduled behind-the-wheel lesson, the Intermediate Unit must be notified 24 hours prior to the cancellation. Otherwise, students will be charged for the time scheduled and will need to schedule additional hours above the original 6 hours at a charge of \$50.00 per hour.

Following the training, students will be issued the appropriate course completion paperwork for submission to insurance carriers. For questions or additional information, please contact Dori Dorritie at 732-8411.
