

Driver Education Services 2017 - 2018

Service	Service Description
<p><i>Classroom Instruction (30 hours)</i></p>	<p>The goal of the Driver's Education program is to teach young people to be safe and responsible drivers. This goal is achieved through classroom instruction that includes information dissemination, skill training, and decision-making.</p> <ul style="list-style-type: none"> • The CAIU now offers a PDE & PennDot approved, on-line Classroom Drivers Ed course designed to take advantage of technology in a way that offers more students the ability to participate where they might not have time in their daily school-day schedule. This program is taken at the student's own pace, and can be worked on at any time from an internet connection (high-speed recommended).
<p><i>Option 1 Behind-the-Wheel Instruction (6 hours)</i></p>	<p>The learning experiences presented through practice-driving in a real car in everyday traffic are experiences necessary to develop a safe and efficient driver.</p> <p>This option allows students to participate in the Behind-the-Wheel (BTW) training provided by the CAIU. <u>The students/families are obligated to pay the applicable fee.</u></p> <ul style="list-style-type: none"> • Service provided at various locations, depending on the district • Schedule varies according to availability of the students • BTW instruction occurs in 1-hour increments • 6 hours of instruction are required
<p><i>Option 2 Behind-the-Wheel Instruction (6 hours)</i></p>	<p>The learning experiences presented through practice-driving in a real car in everyday traffic are experiences necessary to develop a safe and efficient driver.</p> <p>This option involves <u>a written contract</u> with an individual school district. <u>The district agrees to pay</u> for a portion or all of the Behind-the-Wheel training (varies by district) provided by CAIU employees to the eligible students in that district. Currently, only the Halifax Area, Millersburg Area, and Northern York County School Districts participate in this option.</p> <ul style="list-style-type: none"> • Service typically provided at the contracting district's site • Schedule varies according to availability of the students and district requirements • BTW instruction occurs in 1-hour increments • 6 hours of instruction are required <p>Final PennDot driver license skills testing is available to students served under these contracts, additional requirements apply.</p>
