

Case Management Services 2019 - 2020

Service	Service Description
<i>Case Management</i>	This student-specific service is available to assist with the management of the complete Special Education process for students who are difficult to serve, have complex disabilities to address, and/or have challenging family situations. This service can include assisting with IEP development, strategies for implementation, observation, managing the IEP/ER/RR process, and/or facilitating contact with local service agencies.

For additional information, contact Dr. Andrew McCrea, Supervisor,
732-8400 ext. 8313 or ammcrea@caiu.org
